It is hereby advised that the prescribed fee for incorporating the said change is to be charged as provided at Sr. No. 8 in rule 81 of the Central Motor Vehicles Rules, 1989 for each registration certificate.

Accordingly to section 52(3) of the Motor Vehicles Act, 1988, where any alteration has been made without the approval of the Registering Authority or by reason of replacement of its engine without such approval, the owner of the vehicle, shall within 14 days of the making of the alteration, report the alteration to the Registering Authority within whose jurisdiction he resides and shall forward the certificate of registration to that authority together with the prescribed fee in order that particulars of registration may be entered therein.

Further, in NCR areas (Notified areas) smoke emission norms as BS-III & IV as amended by the Government of India from time to time

In the case, the owner of the concerned vehicle has not applied with the aforesaid stipulated period of 14 days, a intimation prescribed late fee as provided under section 177 of the Motor Vehicles Act, 1988 may be charged for violation of section 52 of the Motor Vehicle Act, 1988. In view of the above, all the Registering Authorities are directed:-

- to accept the kit models as mentioned above for incorporating/endorsing CNG kit number in the registration certificate of various models as shown against each above after obtaining inspection report from the board of inspection.
- to charge prescribed fee for incorporating change in the RC as provided at Sr.No. 8 of Rule 81 of CMVR, 1989.
- to charge prescribed fee additionally if CNG kit has been got converted without permission or notice of 14 days as stipulated in section 52(3) has not been given to the RA as provided in section 177 of the Motor Vehicles Act, 1988.
